

100% non-slip & reversible surface

Mobi-deck™ allows the creation of modular access on all types of soft ground. This solution is suitable for pedestrians, people with reduced mobility, and vehicles.

ADVANTAGES

- > Resistant (UV & shocks)
- > Durable and good resistance to dirt
- > Modular
- > Reusable
- > Perfect grip
- > Ideal on any type of soil
- > Stable surface
- > No maintenance
- > Easy to install and remove
- > Withstands temperature from -40°C to 70°C

Technical specifications

Color	Material	Dimensions			Weight	Load capacity
		Width	Length	Thickness

Mobi-deck™ panels are very strong and durable. They are designed to enhance the mobility of pedestrians, wheelchairs and vehicles over unstable grounds. Dedicated spaces and parking lot for people with reduced mobility can be created with Mobi-deck™.

REVERSIBLE

SOIL PROTECTION

ECOLOGICAL

SUSTAINABLE

Mobility

Pedestrians and family with

- > Strollers
- > Wagons

ADA/ABA compliant
Disabled standards

Traffic

- > Bikes
- > Scooters
- > Cars

Use on all types of ground: sand, grass, clay, mud, dirt, pebbles, gravel even snow!

Easy installation & low maintenance

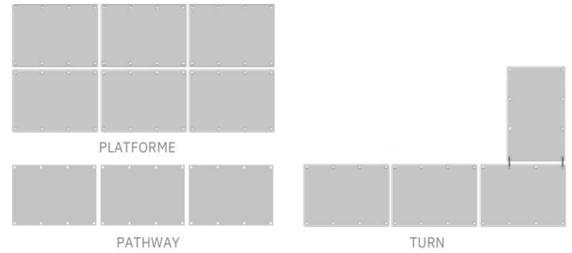

QUICK INSTALLATION

Mobi-deck™ panels are laid directly on the ground after removing major obstacles, without the need for foundations.

The panels are connected to each other using aluminum connectors, which ensure alignment and stability while allowing for thermal expansion; a small gap must be left between panels.

When anchoring is required, the plate is fixed to the ground using galvanized steel spikes, especially on soft ground, slopes, or high-traffic areas.

Once connected and, if necessary anchored, the deck is immediately ready for use.

*Mobi-deck™ can be installed by 1 or 2 people: a section of 100m can be installed within 1 hour.
A hammer is required if the ground is hard.*

LOW MAINTENANCE

Use a high-pressure water jet to clean Mobi-deck™.

Store Mobi-deck™ in a clean & dry place until next use.

What are our additional products?

Mobi-mat® Accessibility mat

Mobi-roller™ Mat dispenser

Mobi-com™ Advertising mat

Grassmat Grass reinforcement mat
